### MEMORANDUM

Tuesday, May 3, 2011

TO: Members of the House of Representatives

FROM: Gary Aubuchon, Chair

SUBJECT: Daily Order of Business – May 3, 2011

---

Good morning –

Members, today we will follow the Daily Order of Business as required by House Rule 10.2. I expect to move to advance to the order of bills on Special Order.

There are 41 Senate bills on Special Order. I don't anticipate that we will roll any of the bills and vote on them today. At the end of the day, I will make a single, omnibus motion to lay the House companion bills on the table.

We are carefully reviewing returning messages from the Senate to determine whether there are any that need amendments. Those returning messages that do require amendments will be taken up as a priority. You will be notified via email once we are ready to begin taking up Senate message lists.

Please do not hesitate to reach out to me or the staff of the Rules and Calendar Committee whenever we can be helpful to you.

Kind regards,

Gary Aubuchon, Chairman  
House Rules and Calendar Committee
